Computation of Office Premium shall be done as follows:

- **Individual:** Charge 100% of premium as per Office Premium table for Individual.

- **Family Floater:**

- In case parents & parents-in-law are covered, charge 100% premium for the two highest aged insureds & 90% premium for the remaining (amongst parents & parents-in-law) insureds, as per Office Premium table for Family Floater.
Charge 50% premium for the remaining insureds, as per Office Premium table for Family Floater.
- In case parents / parents-in-law are covered, but there is only one alive amongst them, charge 100% premium for the alive insured (amongst parents & parents in law) & 100% premium for the next highest aged insured, as per Office Premium table for Family Floater.
Charge 50% premium for the remaining insureds, as per Office Premium table for Family Floater.
- In case parents / parents-in-law are not covered, charge 100% premium for the two highest aged individuals & 50% premium for the other insureds, as per Office Premium table for Family Floater.

Discount for Families opting for individual covers for different family members:

Discount shall be given if more than one person of the same family opt for individual SI (instead of one floater amount available for all family members) under one policy. The premium for individual members will be calculated as per *Office Premium table for Individual*. Full premium shall be charged from the member having *highest* premium and for all additional members a discount of 10% shall be given on the applicable premium as per *Office Premium table for Individual*.
