II		Audit Qualifications	Management Reply	
	A.	<p>i The Company's accounting policy number A- 10.6 on impairment of equity shares states that impairment in equity portfolio is carried out only where the companies have been making losses continuously for the three immediately preceding years and whose capital is impaired partially/ fully or where the annual accounts for the three immediately preceding years are not available. The accounting policy of the company is deficient to the extent that other significant parameters having significant bearing on the share price of Investee Company are not considered in the parameters for identification of Impaired Assets viz. investee entities under corporate resolution insolvency process under NCLT, substantial fall in the market price as compared to acquisition cost of equity shares of the company, erosion of net worth, statutory</p>	<p>The company's policy for impairment of equity shares is formed on the basis of IRDAI guidelines and impairment of equity shares have been done as per the Company's policy. Now the matter is referred to IRDAI for further clarifications.</p>	

B ✓

	auditor of the investee company reporting on material uncertainty related to going concern etc. The effects on the consolidated financial statements of the failure to consider the aforesaid parameters for impairment of equity shares have not been determined.	
B.	Balances of amounts due to/from other persons or bodies carrying on insurance including reinsurers and coinsurers accounts, reserve deposit with ceding companies, inter-office balances are pending reconciliation/confirmation in certain cases.	Regular meetings are held at various levels to reconcile, confirm and settle the Coinsurance balances. In the FY 2022-23 around 150 meetings were held for Coinsurance balances. The reconciliation, confirmation and settlement of Reinsurance balances is also regularly done. Details given in attached sheets.
