7	Taxes, Transportation and other incidental Charges	Rates quoted should be inclusive of all Taxes, Transportation and all incidental charges. The Separate rate will have to be provided for Buy-Back of Batteries. No addition claim in any manner will be entertained.
8	Warranty	24 Months
9	Payment Duration	Around 15 working days
10	LAST DATE FOR SUBMISSION OF TENDER	10/08/2020

- 1) Complete Product Brochures, Leaflets etc. should be enclosed. (As Applicable)
- 2) Copy of OEM Certificate of Authorized Distributors/Dealer of offered battery Brand. No Changes are allowed after submission of Quotation.
- 3) The Batteries will be SMF of 12V with varying capacities of either 26 AH, 42 AH, 70/75 AH etc.
- 4) The Batteries will be of **AMARON QUANTA / EXIDE POWER SAFE PLUS**

5) The rates provided shall be inclusive of the transportation and installation cost at the requisite OICL office premises working under Ahmedabad Regional Office (140000). The separate rate should be provided for Buy-Back of Batteries.

6) In case of any malfunctioning of batteries under warranty at any OICL office premises it will be the sole responsibility of the vendor to cater to the problem and get it resolved. This clause is binding even to out of warranty batteries where only a part of the batteries need to be replaced. The Vendor should readily co-ordinate for replacement of batteries of existing make in the concerned office as per the need raised by engineers report. OICL will not contact the battery makers directly. The warranty on batteries will be for 24 months.

7) The prescribed time limit for installation process is as follows:-

- | | | |
|--|---|----------------------|
| a) City Area (Ahmedabad, Gandhinagar) | - | 2 to 3 working days. |
| b) Semi Urban Areas (Around Ahmedabad) | - | 3 to 4 working days. |
| c) Distant Areas | - | 4 to 5 working days. |

In case of failure to supply batteries within the stipulated time frame, the vendor shall be considered as defaulter and will be considered liable for cancellation of the Tender.
